

Weatherproof Cabinets

Product Overview:

Pertronic Industries provide industrial strength weatherproof equipment cabinets. These cabinets may be used for any Pertronic system. The cabinets include mountings for 19" rack plates and gear plates compatible with Pertronic equipment such as fire alarm panels and peripherals.

Designed for use in challenging environments, these equipment cabinets are suitable for industrial, mining, and general outdoor applications.

EC800X19-PWP+W (16U)

EC28U-PWP+W (28U)

Features:

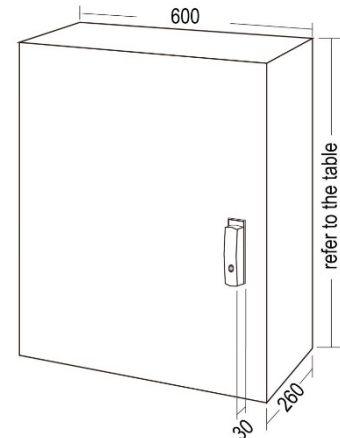

- » Industrial strength robust construction
- » Window or windowless options available
- » IP65 rating (Windowless door); IPX5 rating (Windowed door)
- » Door fitted with positive double action locking swing handle
- » CL003 Key

Specifications:

- » Material (two types) Powder coated steel or Stainless Steel 316
- » Colour (two types) Off-White Ripple (Dulux Paint Code: 288 97072) or Brushed Stainless Steel
- » IP Rating
 - With Window IPX5
 - Without Window IP65
 - Independently tested for compliance with Standard AS 60529: Degrees of protection provided by enclosures. Laboratory test reports available on request.

Dimensions (mm)	16U	28U
Height (H)	800	1330
Width (W)	600	600
Depth (D)	260	260
Protrusion (P: swing handle)	30	30

Note: This datasheet specifies nominal physical dimensions. Actual dimensions may vary slightly.

Ordering Information:

Product Code	Description
EC800X19-SWP+W	Equip Cabinet 16U, 316 Stainless Steel weatherproof (IPX5) with window & gearplate
EC800X19-SWP	Equip Cabinet 16U, 316 Stainless Steel weatherproof (IP65) with gearplate, no window
EC800X19-PWP+W	Equip Cabinet 16U, Powdercoated Steel, weatherproof (IPX5) with window & gearplate
EC800X19-PWP	Equip Cabinet 16U, Powdercoated Steel, weatherproof (IP65) with gearplate, no window
EC28U-SWP+W	Equip Cabinet 28U, Stainless Steel, weatherproof (IPX5) with window & gearplate
EC28U-SWP	Equip Cabinet 28U, Stainless Steel, weatherproof (IP65) with gearplate, no window
EC28U-PWP+W	Equip Cabinet 28U, Powdercoat Steel, weatherproof (IPX5) with window & gearplate
EC28U-PWP	Equip Cabinet 28U, Powdercoat Steel, weatherproof (IP65) with gearplate, no window

- Note:**
1. The installation must provide adequate clearance for in-service requirements including room to swing the door open, and provision for access during maintenance.
 2. To maintain cabinet IP rating, use best practice methods during installation.
